

Lesson 3 - Salvation

Salvation means to be delivered from our sins and the effects of our sins. When we receive salvation, our sins are forgiven. Salvation makes us a child of God. We are no longer going to hell. We are going to heaven to be with God. Salvation changes our lives here on earth and gives us a reason for living.

The Need for Salvation

When Adam sinned in the Garden of Eden, he plunged the whole human race into sin. **Sin** is not doing what God wants us to do. Simply stated, sin is disobedience to God. It seems that just like a dog is born with a nature to bark, humans are born with a nature to disobey God. This sin on man's part has offended God and caused man to be separated from God. In order for man to be reunited with God a payment had to be made for man's sins. All of the sacrifices in the Old Testament were a picture of the One who would actually make a sacrifice for sin. That was Jesus, the Lamb of God, when He was sacrificed for our sins on the cross.

We are all sinners.

Jesus, The Payment for our Sins

If we were to be brought back to God, a payment had to be made for our sins. It could not be a payment of silver and gold, because God already owns all of that. It could not be a payment of animals, because God also owns them. It could not be a payment made by our good works, because we have already seen that in God's eyes none of us are righteous. If a payment was to be made, then God would have to furnish it. And that is what He did when He sent Jesus to die on the cross. On the cross Jesus, once and for all, made a full and complete payment for all of our sins.

We are not redeemed by silver and gold.

How Salvation is Received

Since Jesus paid for all our sins on the cross, and since we are sinners and cannot save ourselves, salvation is offered to us as a free gift. How does a person get a gift? Simply by receiving it. You do not work for a gift and you do not earn a gift. We receive the gift of eternal life simply by accepting it. Since we cannot see eternal life or hold it in our hands, we

must accept it by faith, trusting God to do what He said He would do in the Bible. The reason many people are not saved is that they do not really believe in their hearts that they are sinners and need to be saved. They are not willing to humble themselves before God, repent of their sins and trust Jesus Christ to be their Savior.

Eternal life is the gift of God.

Why We Cannot Work for Salvation

There are several reasons why we cannot work for our salvation. First, salvation is so great, there is nothing that we could ever do that would make us deserve it. Second, Jesus has already paid for our salvation, so there is no need for us to try to pay for it. Third, as sinful creatures there is nothing that we can do to earn salvation. Fourth, if we could work for salvation, it would take the glory away from Jesus and give it to us. And, fifth, salvation is a gift and you do not work for a gift. So, our good works are not for the purpose of gaining or keeping salvation.

We are not saved by works of righteousness.
